Featuring THE 2019 YEAR-LONG TEXAS MULTISPORT CALENDAR

Dear Race Director,

Hello from *Texas Runner & Triathlete*. This Spring we are again publishing our "Annual Texas Triathlon Preview" for the upcoming season. This is your chance to reach thousands of triathletes across Texas and beyond.

The "Annual Texas Triathlon Preview" includes a year-long multisport calendar for the state of Texas and discounted advertising rates to all in the multisport community. Listings in the calendar are FREE to all multisport events in the state of Texas and advertisers, fees apply to out-of-state events that do not advertise. Make sure your event is included as many triathletes use this calendar to plan their races for the year.

Direct benefits of advertising your event whether or not you are located in Texas:

- Special ad rates include **full color at no extra charge**.
- Your event will appear in both our print and website calendars as soon as your advertising commitment is received, where it will stay until your event occurs **at no charge**. (Normally these continuous listings cost \$25 per month)
- All advertisers will be promoted through an eBlast provided free of charge by *Texas Runner & Triathlete* that goes directly to triathletes in the Texas market and beyond.
- Too far away? Many races throughout the U.S. report that their 2nd or 3rd largest out-of-state entry contingent is from Texas.
- Not sure? We have a "special intro offer"! – **1/6 page – full color – only \$485**

As you can see, this is a great opportunity to tap into the wide-spread Texas multisport community.

In closing, Texas has one of the largest triathlete populations in the U.S. and they do travel!
